The case of Mr.

B. S. Raghavendra Rao was considered

to be a special one and his

increment advanced by six months.

There has been no objection
of anybody by the Special
treatment accorded to him.

Mr. Ramaiya urges that
Special grounds are not wanting in
his case also to overlook the

delays in his passing the required
exams. They are (i) his deputation

to Calcutta for a month in

Dec: 1918 to undergo training in

Statistics and (ii) his posting to

The Office of The Director of Statistics
from Jan: 1919 to August 1919.

for the examination. Whether
there is an adequate ground to
overlook the delay ~~and~~ for
consideration.

As regards Para 5 of Mr.
Ramayya's letter, Kind note is
invited to the G.O. of 25th 6. 1919.
That order has no application
to the present case.

As regards Para 6.
There is no doubt some force
in what Mr. Ramayya states.

In Para 7 he refers
to the case of certain officers
other than Mr. Raghavendra Rao.
They are probably Messrs G.
Narayana Rao & N. Krishna Rao
Rao. Their increment had been
only postponed I understand. In
all such events there is no
analogy between their case &
Mr. Ramayya's case, the latter's
confirmation being delayed on
account of his not gratifying
himself fully in time.

Two years was due to his being kept on in the Education Dept. for some time he had not been accepted for promotion. He had repeatedly declined to ~~admit~~ admit this ~~position~~ as a valid ground for increasing his compensation with retrospective effect. He had ^{recently} been given his 6 months' advance increment. This, I understand, was made in the ~~recommendation~~ recommendation of the Comptroller & the Fin Secy in view of the useful work done by him as Resource Officer. The point of this advance increment was without interference with the relative rank of any of the officers present and to ~~be~~ above him.

In this view Mr Ramay's contention cannot, ~~even~~ be upheld. His deputations to Valencia for one month in Decr. 1918 could hardly affect his preparations for the Exam held in May 1919. This being the case work as an M.B. to the King & Statistics from Jan^y to Aug. 1919.

Sir,

Adverting to Government Order No. 1521-70 C.B. 3-23-4 dated the 6th November 1923, fixing the pay of Assistant Commissioners, Munsiffs and Subordinate Judges in the New Grades, I beg to bring the following few lines to the gracious consideration and favourable orders of Government:

1) The following gentlemen (including myself) were appointed -- Probationary Assistant Commissioners, Schedule A with effect from 18th January 1918.

1. Mr. M.A.Srinivasan
2. " B.S.Raghavendra Rao
3. " V.Vedavyasacharya
4. " G.Sundara Rao
5. " S.Narayana Rao
6. " T.Ramaiya.

2) The first and the fifth in the list were more fortunate than the others, and passed the Local Service Examinations earlier and were confirmed with effect from the 18th January 1920; whereas Mr. B.S.Raghavendra Rao, Mr. Vedavyasacharya and myself were confirmed with effect from the 8th January 1921 and Mr. G.Sundara Rao from 2nd July 1921.

3) According to the list now published with the Government Order of 6th November 1923 Mr. B.S.Raghavendra Rao is to get Rs. 300/- from 1st July 1923, and the next increment from 1st January 1924, while Mr. Vedavyasacharya and myself have to wait for the next increment till 1st July 1924.

4) I know Mr. Raghavendra Rao was agitating for the last three years for restoration to his original rank on the score that his inability to qualify himself within two years was due to his being kept on in the Education Department for some time, and falling ill for a couple of months. If these are considered special grounds

grounds for his special advancement, I beg to state that special reasons are not wanting in my case either. During my probation, I was deputed for a month to Calcutta to undergo training in Statistics in December 1918, and after my return, was posted to the Office of the Director of Statistics to work as his Assistant from January 1919 to the end of August 1919, and during all this period, I had hardly any time to study for the Examinations. I have thus lost 9 months of my Probationary period.

5) I may further beg to state that in accordance with Government order No.. 1666-1709/ C.B.. 13-18-75 dated the 25th June 1919, passed on the representation of our batch of Assistant Commissioners, those who completed their ~~XXX~~ tests in the Examination of May 1920 were confirmed from January 1920, whereas those who passed in the December Examination were confirmed from the date of the Examination, thus creating a gulf of one year, for an interval of 6 months in completing the Examinations.

6) I further beg to state that ~~on~~ confirmation, which according to Para 5 above, ought to have taken place in December, was deferred by a month for no fault on our part. The Examinations commenced on the 6th December 1920, and we were entitled to be confirmed from that date, but a reexamination was held by Government in one of the papers in Civil Part II on the 8th January 1921, from which date our confirmation was ordered.

7) I may also be permitted to state that the list now published shows that the case of certain officers, other than Mr. Raghavendra Rao, whose promotion to the next higher class according to the old scale, has been delayed, for reasons best known to Government, have been favourably considered during the present allocation, and they get the next increment from the date on which ~~they~~ would have otherwise got ~~it~~. On the analogy of these cases I am entitled to get the next increment from 1st November 1923, but as the Government have been pleased to order the increment of Mr. B.S. Raghavendra Rao from 1st January 1924, who was placed under similar circumstances as myself,

This refers
perhaps to the
cases of Messrs
M. Narayana Rao
& N. Krishna Rao
who were
promoted
and whose
increments
had been
postponed

I am estopped from going further in my request

8. I humbly beg of the Government to take all the adverse circumstances that have worked against me into consideration, and to be so gracious as to extend the concession, shown to certain other officers, to me also by advancing my next increment to 1st January 1924, if not to 1st November 1923.

I beg to remain,

Sir,

Your most obedient servant,

ORDER No. 1521-70—C. B. 3-23-4, DATED 6TH NOVEMBER 1923.

Government direct that in fixing the pay of the existing officers under the revised scale the following principles be adopted:—

- (a) For fixing the pay of each officer on 1st July 1923, the revised scale of pay will be deemed to have been introduced from 1st July 1922, but no officer will be allowed to draw any arrears of pay under the above arrangement.
- (b) In the case of Assistant Commissioners and Munsiffs, the service for the purpose of increment will be calculated at two-thirds of the period of their service on 1st July 1922 from the date of their last increment and in the case of Sub-Judges at half the period.

2. A statement showing the pay to which the officers will be entitled on 1st July 1923, and the date on which they will get their next increment in accordance with the above principles is attached.
